

QUALITY INITIATIVES TAKEN BY THE COER-IQAC Session (2018-19)

1. The first and foremost initiative taken was taken to form a NAAC steering committee under the newly established IQAC for the preparation of accreditation by NAAC.
2. **Initiatives taken for enhancement in teaching learning process:**
 - a. Procurement of Digital writing Pads for better effective and efficient classroom teaching and to encourage the usage of ICT tools while teaching. 11 Digital writing pads were procured and were distributed in the departments.
 - b. All classrooms were equipped with CCTV cameras
 - c. Initiative to Implementation of Learning Management System (LMS), especially Google classroom was taken.
 - d. Organizing Gandhi Global Solar Yatra for student sensitization and selecting Student Solar Ambassador 2019 for conduction of workshop in nearby villages, under the coordination of Prof CS Solanki, IIT Bombay
3. **Initiatives taken for faculty development and empowerment:**
 - a. Conducting FDP's
 - b. Sending two faculty members for International visit for the academic development and knowledge enhancement.
4. Infrastructure enhancement:
 - a. All classrooms were equipped with CCTV
 - b. Installation of PV based roof top Solar power Plant
5. The student feedback form for Course feedback survey was revised. The form eliminated redundancies in previous form. It was also decided to covert the conventional feedback into online feedback form.
6. 14th Degree Distribution ceremony was conducted
